Migrating Nanoblogger to something else

Author : admin

Iâ€™m considering changing nanoblogger for something else. The more I get to know wordpress the more Iâ€™m starting to think that I donâ€™t want to use this bunch of crap.
I found a post explaining the terrible efforts of a guy to migrate his nanoblogger to wordpress.
To succeed in that he has written a python script. Here is a link to the article describing, how to migrate your nanoblogger to wordpress NanoBlogger to Wordpress .
Iâ€™m trying it right now and it proves not to work for me so far. I experience various problems with nanobloggerâ€™s date format it definetely is hell â€¦ENDâ€”â€“
