

Download Bulgarian Orthodox Bible in various file formats

Author : admin

Iâ€™ve came to the conclusion that there is no easily to find bulgarian orthodox bible for download.

Thus after spending an hour Googling for Bulgarian Orthodox bible I finally found one. The one I found was in DOC and I thought that it would be nice if the Bulgarian Orthodox Bible is available for download in various formats for users convenience.

For that reason Iâ€™ve converted the bulgarian orthodox bible I found to a few of the most famous desktop reading formats out there and stored it on my machine. Iâ€™ve also built a small website through which [The Bulgarian Orthodox Bible can be downloaded](#) . Currently the website offers a bulgarian orthodox available for download in (DOC, ODT, TXT, PDF) formats, as well as the same formats are prepared for download in RAR archive. I truly hope this would be useful to the fellow orthodox bulgarian brothers and sisters.
