

MK Ultra Monarch Programming Exposed videos - How brainwashing works, popular brainwashed pop stars

I'm not a big fan generally of conspirative theories. As a Christian I'm convinced the evil forces, who try to oppose us as Christians are very real. As we can read in the holy scriptures in Ephesians:

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Well this spiritual wickedness the holy apostle is talking about is already existing since the creation of the world. The power with which it is trying to work in our daily lives is increasing day by day as a fulfillment of the prophecies of the Book of Revelation, where it is said in the last days of world existene, the devil will be cast down from heaven to earth, before he is finally cast down to Abaddon (if I'm not mistaken - The old testamental word for Hell word). Here is a quote from the Book of Revelations, stating this:

Revelation 12:12 - Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

King James Version Bible (KJV) Bible

I think Christians, should be aware of the existence of some devilish works, like the research of the *United States - CIA (Central Intelligence Agency)* research called "**Project MK Ultra**" in the 1960 to late 1970's. The **MK Ultra** project was created with the goal to foster techniques for mind manipulation through drugs, pain, electroshocks, creation of high tension in testing subjects etc. etc.

The *MK Ultra (Monarch)* programming has given birth to the nowadays so modern NLP (Neuro Linguistic Programming) which is a favourite involved method in many protestant Christian sects.

Probably almost anyone has somehow experienced some modified version of Monarch Programming but he didn't knew of it existence, so he just couldn't understand what is happening. The idea behind this kind of neuro linguistic programming is to confuse you and shake off your ground and then re-teach you on how the universe works, who you're and what you're supposed to do on this earth. The result from people who participated in Monarch mind programming is paranoias, false beliefs, crazy ideas about self and the world, fears, mental and personality disorders (also known in science terms as schizophrenia), animal like sexual lust, loose of control over self ...

In short the NLP results are clearly opposite to what the Holy Bible teaches us to live in peace with all people as long as we can, to do good to put our faith and hope on God's good plan for our lives, to not trust human knowledge but rather obey God's laws, to not do sexual immorality (sexual fornication) etc. etc.

Many programs for free offered by the European Union to strengthen society are plainly a Neuro Linguistic Programming, a version of the MK-Ultra Monarch programming. This kind of NLP programs falsely says: "you're reached to become stronger, see better the things around you (increase your awareness), be more cautious about people's gestures and body languages, be more self aware and stronger entrepreneur person. All this claimed to be taught is purely one GREAT DECEPTION, right on the contrary the NLP programs makes you a weak unrealized psychopath person, who impose his incorrect ideas about life as we know it and the surrounding environment, God's order in life and personal well being / happiness /. In other words it makes you be moved by devilish teachings without even realizing it.

The MK-Ultra Monarch persons ultimate goal is to make one person take control over the other in other words MK-Ultra or NLP (call it as you will) is nothing more than another dependency manipulation technique.

The basic behind how it works is - you have to be manipulated and brainwashed by someone in order to exercise manipulation (brainwashing) on other human subjects. If you think for a while you will understand this is completely crazy and its exactly like a sect. Whether one person gets brainwashed what it happens in reality is he loses his free will as the person is possessed by one or a legion of evil spirits), then the controller person who is the Monarch over the brainwashed is capable to "command" his brainwashee "child" just because he himself has another devil. Devils communicate in between just like the Holy Angels and all the creations in Heaven God created on the first place. This is why the wicked spirits are deceiving the brainwashed

persons to just do their wicked will while taking control over the person posing as another personality and that's why it appears like the person has a complete different personality. This different personality is actually the devil who controls actions and thoughts of the person. The manipulative teachings held by Project MK-Ultra are pitly, heavily used by modern Businessmen. Most company CEOs has somehow went through an NLP and have been subconsciously instructed on what kind of business they have to do by the devils which possess them. This is also the reason why so many Chief Executives are being perceived as crazy persons by their employees. This is also the reason why the economy worldwide went so bad, because many of the heads in companies are led by horde of demons, on which direction they should lead the multi national companies.

I would stop, here and show you few videos I found produced by someone who is aware of the existence of NLP and the heavily application it has today in society.

The videos are explaining, also what is the reason why this pop-rock stars are so eccentric and do so much of odd things as they do. Also it explains how many of the world higher class people get their position in society.

MK - Ultra (Monarch Programming Exposed) Part 3

The MK Ultra / NLP is being nowadays, taught as a regular subject in many Universities all around the world, by some weird non-sense subjects like Business Ethics, How to improve your awareness, how to become succesful business person, Introduction lessons to business etc. etc. etc.

The author of the videos is presumably a Protestant Christian, so I would say some of the facts presented in the video might have a protestant perspective, however I believe what he says is almost fully true. I'm a bit sceptical about the Illuminati claims, at least as a structured society of people who try to rule the world. However I'm sure most of the rich and succesful people nowadays has something to do with sects, satanism and occultism. Since the very change of regime from Monarchy to Capitalism, the order of society is being inverted in a way that most of the highest position in societies are held by people who are either a hard-core atheists (anti-christs) or people involved in magical stuff, occulm, secret societies or some kind of new-age religion, occultism.

I've heard by many friends, who somehow are in the position to have connection with richer people, that many of the heads in governments or key people involved in countries around the world are gays and lesbians. I don't know how much this is true as I haven't seen it with my own eyes but I'm tending to believe this is true, as I see how the whole world has headed to increasing immorality and self-

destruction.

Of course it is not in the power of men to orchestrate such a strong bodies of connection between wicked people as the supporters of Illuminate has claims. The people who are somehow doing this evils are plainly possessed and controlled by devils and one day, they will have Gods judgement on the judgement. Then they will shake and pray for mercy the all merciful one but it will be too late for them, for God has given them a whole life to turn back from their sins and repent for their evils and turn to the Lord Jesus Christ and live a life of righteousness ...

Anyways the existence of NLPs brain programmings or all kind of manipulations and hidden evils should not discourage us or trouble us but on the contrary as our Saviour Jesus Christ said:

"Let not your heart be troubled: ye believe in God,
believe also in me." John 14:1 - (KJV) Holy Bible

And the holy apostles said in the New Testament of the Holy Bible:

38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, 39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. Romans 8:{38-39}
