I'm a Christian and even though I'm trying to live as a Christian it is not always working. I'm a human and as all of us I have my fears. Thus by God's grace today by looking on Youtube on what the Coptic Christian say on Fear. I've ended in Sermon from his Holiness Pope Shenoda II. He explains very well the connection of Fear and the lack of Christian repentance. Below is the video I hope some Christian out there can earn by watching this video.
